Question #	RFI Paragraph # or Title	RFI Page #	Vendor Question	Leave Blank for AHCCCS Response
1.			Can you please confirm if AHCCCS needs chart review services?	AHCCCS is not anticipating any chart reviews.
2.			Will the proposed solution be required to prospective analyses of quality of care measures during the current year in addition to end of the year standard reports?	The response should include information to ongoing/periodic real time measurement in addition to the annual reporting for measurement purposes.
3.			Is there an incumbent and if so, who is the incumbent for this project and what is the current contract value?	There is no incumbent for this project, other than AHCCCS IT and system resources.
4.			Does AHCCCS anticipate a need for provider level reporting?	There is a probability, particularly with Meaningful Use, Community First Choice and perhaps Dual Integration, and other populations, that reporting may be required at an individual and population level.
